

MNSC

MIRBOO NORTH SECONDARY COLLEGE

CAMP

At the start of the year all the year sevens will be able to contribute and experience three days at Phillip island. The main idea about this camp, is to make new friends and to have fun. This is a list of all the activities you will participating in: Laser tag, tennis/sport, going to the beach, table tennis, pool, going to the pool for a swim, a maze n things– mini golf, big maze and activities, bike rides, challenge activities, juggling, making juggling balls and early morning walks, yay :(You will be staying in a room with bunk beds and maybe a double bed that has a television and a bathroom. Have fun!!!!

TIMETABLE

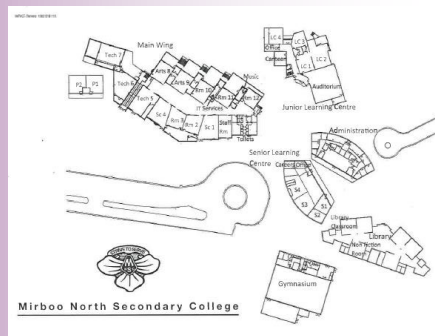

At the start of the year, on your first day of school, you will be given a timetable of all the subjects and rooms that you will be in. The timetable will be set out in different varieties of subjects and who your teacher will be... on the timetable there will be the five days of school, with the numbers of six periods per day. In each of those six periods it will say what you have, the teacher you will have, with the first letter of their name and two first letters of their last name. Lastly, it will have the room you will be in.

	Mon	Tue	Wed	Thu	Fri

SUBJECTS

There will be a whole range of subjects that you will be doing. These are the following subjects that you are permitted to participate in, in year 7: maths, English, music, PE, get set, German, home eco (cooking), woodwork and science. But you will be able to only participate in eight of these subjects as you will continue either woodwork or home eco (cooking) next semester (term 1 & 2 or term 3 & 4).
