

Mirboo North Secondary College

Year 7

Peer Support

The peer support program is a great way to meet others in your form and build confidence.

Subjects

The main subjects are, maths, English, sport, German, science, music, get set, home economics and woodwork. Home ec and woodwork are only done for one semester each.

Sports

There is athletics, swimming and cross country, in which you can advance to higher levels. There is also interschool sports such as, netball, cricket, soccer and more.

Camp

Camp is a great way to meet people in your form group. There are also fun activities like, bike riding, going to the beach, juggling and more.
