

Mirboo North Secondary College Uniform

Mirboo North Secondary College has an agreed to uniform policy, as developed and endorsed by school council.

The wearing of a school uniform is seen as important to the members of the school community. We believe that uniform is important for the following reasons:

- Uniform allows students to focus more on learning and less on fashion
- Many experts believe that all students in uniform promotes a sense of community and team spirit
- Uniforms contribute positively to the behaviour of students and allows them to be identified as members of the school community
- Increase a sense of belonging and school pride – especially at events with other schools in attendance
- A feeling of equality regardless of socio-economic status
- Ensuring all students are dressed safely and appropriately for school activities
- Preparing students for the expectations of workplaces and sports teams

School uniform should **only** be purchased from our uniform supplier - **Ridgway Discounts**, 73 Ridgeway, Mirboo North, Ph: 5668 1338.

Please note there has been a significant change to the current school uniform policy and it is strongly recommended that the following items are not purchased second hand as 2015 will see a strong enforcement of the new policy. These include:

- The old girls summer college dress.
- The old girls grey winter skirt.
- Both girls and boys grey pants, trousers and shorts.

The following item is not acceptable in 2015 and should not be purchased second hand

- Hooded windcheaters

As parents/carers it can be a struggle to encourage your child to wear the correct uniform, they want to customize or 'push the limits'. However we strongly believe that our school should and will encourage students to wear the correct school uniform at all times with pride.

Please Note: Black jeans and tracksuit pants do not comply with the uniform policy at Mirboo North Secondary College
